PATRICK HORSLEY, STUDIO POTTER

Pat Horsley is recognized as an integral part of the Northwest craft community. His work has been included in countless invitational exhibitions, one-person shows, and international juried competitions; he has been featured in workshops from Canada to Alabama, from California to Tennessee.

Pat's contribution to American craft has been resulted in numerous awards, including the prestigious National Endowment for the Arts Grant. His work is included in collections of the Seattle Art Museum, Museum of Contemporary Craft, Columbus School of Art and Design, Louisiana/Pacific Corporation, and the University of Utah.

Pat's teaching has influenced students at Marylhurst College, Portland Art Museum School, Pacific Northwest College of Art, and Portland Community College. His work has been published in numerous books and magazines.

Pat Horsley lives and works in Portland, Oregon.
